

# Coo-ee!

Join the Flying Doctor  
Kids Club

Register your child through  
the RFDS Vic today

## **Kids Club Terms and Conditions – for the grown-ups**

The Royal Flying Doctors Service of Australia is one of the largest and most comprehensive areomedical organisations in the world. As a not-for-profit organisation we deliver extensive health care and 24 hour emergency services to people throughout Australia. It's thanks to the ongoing support of Australians that we can continue to care for communities across Victoria and Australia.

The Flying Doctors Kids Club is an initiative of the Royal Flying Doctors Service of Victoria.

Membership of this club is free, and aimed at 5 – 12 years living in Australia. We can make registration available to any children between 5 – 12 years old who live outside of Australia providing you contribute to international postage costs. These arrangements can be accommodated by emailing [flynntheflyer@rfd.vic.gov.au](mailto:flynntheflyer@rfd.vic.gov.au)

You can register your child today by signing-up online at <https://www.flyingdoctor.org.au/vic>

The Royal Flying Doctors Service will use its best endeavours to ensure your child receives regular communications on their birthdays, Christmas and throughout the year with our newsletter. However, it is up to the parent / guardian to advise us of any change of address.

Members may also receive emails regarding Kids Club activities and events, and our Flying Doctor education program <http://www.flyingdoctor4education.org.au>
