

Support Crew

More than emergency retrievals

The Royal Flying Doctor Service WA services the most remote health jurisdiction in the world. With a vast service footprint of more than 2.5 million square kilometres, we operate from five bases throughout WA.

We keep Western Australians and visitors safe and healthy through a network of emergency, health and allied services:

- **Aeromedical retrieval and transport:** 24/7 emergency medical retrievals in rural and remote areas and inter hospital patients transfers.
- **GP and Nurse Clinics:** Primary health clinics made available to communities in regional Western Australia.
- **Telehealth:** 24/7 remote consultations with a qualified doctor and services by more than 500 medical chests.
- **Dental:** regular dental services for basic oral health as well as emergency and restorative dental care.
- **Medical chests:** containing a wide range of medication for emergency treatment (located at more than 500 rural and remote sites throughout WA).

Join our exclusive Support Crew

It takes a lot to keep the Flying Doctor in the air. Our fleet of 18 aircraft are fully equipped emergency wards in the sky, and we need your help to ensure we are ready to respond – 24/7 – to medical emergencies throughout Western Australia.

Coupled with our primary health care services for those living in regional and remote WA, we provide lifesaving care to more than 9,000 patients every year. That's an average of one patient every hour, every day of the year.

As a Support Crew member, you will join a special group of supporters who make a monthly donation to keep the Flying Doctor in the air. You can join our Support Crew from as little as \$15 per month.

Your benefits

When you sign up to become a member of this exclusive crew, your regular support helps to ensure the Royal Flying Doctor Service continues to be there for all Western Australians

Year round, you will be helping the Flying Doctor to save lives. You become an important extension of our core team of dedicated pilots, doctors, nurses, maintenance crew and support staff.

As a member of the Flying Doctor Support Crew, you will also receive:

- Support Crew Welcome Pack
- Regular updates about how your donation is saving lives
- Invites to exclusive events
- Your name on the Support Crew honour roll (optional)

Do your part to keep the Flying Doctors in the air
